# PENFOLD'S SELECTIONS

The Penfolds legacy has been driven by generations of visionaries and innovators: Established in 1844 at Magill Estates, Penfolds became Australia's largest producer of fortified wines. Legendary chief winemaker, Max Schubert then went on to create one of Australia's most iconic wines - Grange in 1951. Steeped in history, they continue their famed and respected winemaking through the merging of science, art and innovation to create wines like no-one else.
